IN SCHOOL THIS WEEK...

Year 5 and 6 pupils did a community Litter Pick this week. Y6 programmed the MicroBits and took them with them. They used them to tally up the recyclable / non-recyclable items which we found and collected. They found out of the 894 pieces of litter they picked up, 102 were easily recyclable (paper, metal, glass) and 792 were not (plastic, battery cells, electronics).

Year 5 have been busy designing and making flavoured breads for a class 'bake off'. They have learnt about combining ingredients and working as a team.
