## Board of Governors Vacancy

Wales Primary School is a school with a strong sense of community in the Rotherham area. We are very proud of our school and work hard to ensure that all our children feel happy, healthy, secure and safe so that they achieve their full potential. Our broad, stimulating and relevant curriculum helps each child to develop a firm foundation on which they can build in preparation for adult life. We recognise each child's individuality and strive to meet his or her needs in a caring and fully inclusive environment.

The school is overseen by our Board of Governors – a group of people who set the strategic direction of the school, oversee the staff team and performance, and manage the finances.

We currently have an opening for someone to join our Board of Governors. We are keen to hear from anyone who feels they might be able to add strength and expertise to our Board, but in particular, we are seeking applications from individuals with a legal/HR background or Health and Safety.

The Board meets approximately 3 evenings per year and members are usually expected to support one of our sub-committees, a further 3 meetings per year on average.

If you are interested in finding out more, please email [school@walesprimary.co.uk](mailto:school@walesprimary.co.uk) or send your CV with a covering letter. An interview with the Chair of Governors will be held before any appointment.
