As you will have seen we now have our long awaited playground gym equipment in the garden. This is something we have been planning for a long time. It has come just at the perfect time for our children as we have lost the ballcourt as an area to play at

breaktimes and the garden has opened. This is the first step in transforming our garden as we have many more plans to develop the space and hopefully

they will be in place this spring.

We would like to take this opportunity to say a huge 'thank you' to one of our families who have paid for this gym equipment. We received a generous donation from Michael Whiteley's funeral and the Whiteley family (Whitelea Garage) have contributed the rest from their family business. All the children have loved playing on it the last few weeks.

Please can we ask that children do not use the gym equipment before or after school for health and safety reasons.

MESSAGE FROM THE PTFA

You can now raise money for school just by shopping at Asda!

Download the Asda rewards app, go to cash pots and select Wales Primary School as your chosen school - the school postcode is S26 5QG

Each time you scan the rewards app the school's cash pot will grow. You don't lose out on your own cash pot either!

We know some of you have already spotted this and signed up, Superstars thank you.

Please spread the word to family and friends.

Here are some of the Year 2 girls who asked to do an assembly about litter following a break time where they found litter in the school garden. They were horrified that children had been eating things from their lunch boxes outside at break times that wasn't fruit or vegetables and leaving the packaging on the floor. They reminded the whole school about the dangers of litter on the environment and also about our policy on snacks at break times.

Shop with Asda?

Raise £1 plus 0.5% of every shop for the school FREE!
